SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS

Year Ending September 30, 2019

Forecast results for the budget for the year ending September 30, 2019, were based on actual results from previous years, determined or anticipated additional requirements for the year ending September 30, 2019, and input from the governing Council.

The forecast presents, to the best of the Council's knowledge and belief, the expected revenue and expenditures of the City of Valentine for the forecast period. Accordingly, the forecast reflects the Council's judgment as of August 23, 2018, the date of this forecast, of expected conditions and its expected course of action. The assumptions disclosed herein are those that the Council believes are significant to the forecast. There will usually be differences between the forecasted and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.
